The Supervisor shall on each sailing day notify the Race Officer if they would like to permit a child or young person in their care to sail in a SSC event, whether accompanied or not, prior to signing the relevant sailing declaration sheet.

In making this decision the Supervisor should particularly, but not exclusively, take into consideration the age and abilities of each child or young person, the activity and conditions in which the activity is being undertaken in order to determine the level of supervision. For instance the Supervisor must decide whether a child or young person needs an adult in the boat with them or whether an adult can supervise the child from the shore or another boat. During an activity, the level of supervision must be reassessed as the conditions change.

Additionally the Supervisor shall

- identify the child(ren) or young person(s) under their care on the sailing declaration sheet by annotating "U" (defined as under 18) and placing their own initials besides the helm or crew names as appropriate.
- inform the Race Officer how the Supervisor can be contacted during sailing.

The GMC may, subject to a simple majority vote of GMC members present, decide to temporarily exclude those allegedly involved from the Club premises during the investigation.
